WeddingWire, the nation's leading online wedding marketplace, announced last week that Anne Marie Porter has been selected as a winner of the prestigious WeddingWire Bride's Choice Awards® 2013 for Brides choice on St. John in the Virgin Islands.

The esteemed annual awards program recognizes the top five percent of wedding professionals in the WeddingWire Network who demonstrate excellence in quality, service, responsiveness and professionalism.

Porter's selection as a Bride's Choice Award 2013 winner was selected based on the positive experiences expressed by past clients on WeddingWire, the world's largest wedding review site with over one million reviews.

While many industry awards are given by the host organiza-

tion, the WeddingWire Bride's Choice Awards® winners are determined solely based on reviews from real newlyweds and their experiences working with Porter.

The WeddingWire Bride's Choice Awards® 2013 are given to the top local wedding vendors in more than 20 service categories, from wedding venues to wedding photographers, based on professional achievements from the previous year. Award-winning vendors are distinguished for the quality, quantity, consistency and timeliness of the reviews they have received from their past clients.

As a Bride's Choice Awards winner, Porter is highlighted within the WeddingWire Network, which is comprised of over 200,000 wedding professionals throughout the United States, Canada and abroad.

"Each year, WeddingWire looks forward to celebrating the

success of the top-rated wedding professionals within the WeddingWire Network," said Timothy Chi, CEO, WeddingWire. "Now in its fifth year, the Bride's Choice Awards® program continues to recognize the elite wedding professionals who exemplify a commitment to quality, service and professionalism."

"These businesses were chosen by our bridal community for their responsiveness and dedication to their clients over the past year," said Chi. "We are honored to recognize Anne Marie Porter for her impressive achievements within the wedding industry."

Porter is thrilled to be one of the top Brides Choice in St. John, Virgin Islands in the WeddingWire Network of sites, which include leading wedding sites such as WeddingWire, Project Wedding, Brides.com, Martha Stewart Weddings, and Weddingbee.
